No.159PSC/Estt.-16/2009-10/Pt-I

Date Guwahati the 25th June/2019

Press Notice

The Commission has noted with grave concern that a section of the print and electronic media has indulged in rumour-mongering about alleged leakage of question papers of the recently concluded screening test for Computer Operators in the office of the Commission misrepresenting an incident that took place in an examination hall at Dispur Govt. H. S. School on 23/06/2019. The reports are not only misleading but also demoralizing to genuine aspirants.

The Commission reiterates that there was no leakage of question paper or answer key of the said examination. A candidate had marked his responses to the questions on the backside of his Admit card in contravention of examination guidelines. The matter was reported by the Supervisor to the APSC authority in writing by obtaining an undertaking from the candidate as per procedure. The Commission has ordered an inquiry into the matter and has decided not to evaluate the answer script of the candidate. Further action will be taken by the Commission on receipt of the findings of the inquiry.

The Commission requests the friends in the media not to publish misleading information that may adversely affect the susceptible candidates. The Commission also appeals to the candidates not to be carried away by the rumours aimed at discouraging the genuine aspirants and creating confusing in their minds.
