No.125PSC/PS-33/2019-2020

Dated Guwahati the 11th January, 2021

CLARIFICATION

Attention of the Commission is drawn to the news item under caption "**APSCr Sehotiya Folafal Sandehjanak**" appearing in Assamese daily 'Amar Asom' dated 10th January 2021 and also in a section of news papers where an organization named "Fight Against Injustice of APSC" is levelling allegations against the results of CCE-2018 declared recently. Their main contention is that candidates who would not have qualified because of Answer Key issue had also participated in the interview process and 6(six) of them got qualified in the examination. The organization further alleges that some cases are going on in the Court on CCE-2018 and as such the results declared should not be given effect to till the final verdict of these cases are passed by the Court.

It is hereby clarified that those candidates who would have failed in the preliminary examination because of faulty answer key has already been identified and the result of 6(six) of them who made to the final select list has been rightly withheld by the Hon'ble Gauhati High Court vide its order dated 22.12.2020 passed in **Case No.:I.A.(Civil)/2220/2020 in WP(C) 3341/2019**. The suggestion of the organization not to take any action on the result declared by APSC amounts to keeping the fate of 255 selected meritorious candidates hang in uncertainty which will be a grave injustice to them. Moreover, the other cases which are pending in the Guwahati High Court on CCE-2018 do not have any bearing on the declaration of the results and is an attempt to misguide the people of Assam which does not augur well for the young generation of aspiring candidates.
