ASSAM PUBLIC SERVICE COMMISSION

Jawaharnagar, Khanapara, Guwahati-781 022

PRESS RELEASE

The Commission has expressed deep concern at different news items published in the electronic and print media regarding alleged illegal activities committed by some officials/staff not directly connected with the Commission. While the process will take its own course, the Commission would like to request the general public, particularly the candidates concerned, not to be disturbed by such activities.

As earlier advised by the Hon'ble Chief Minister, Assam, the Commission has, in the meantime, taken several steps to streamline its functioning. More effective transparency through video recording in the entire viva-voce process has been consistently maintained besides ensuring that the specific Interview Boards are selected through a transparent manner. Despite several hurdles, administrative or otherwise, the Commission has made sincere attempts to maintain discipline and accountability in its performance.

**As such, the Commission wholeheartedly requests all the aspiring candidates to participate in the ensuing examinations/viva-voce interviews including the Combined Competitive Exams with an open mindset without being influenced directly or even indirectly by any middleman/touts that may have anti-social and nefarious intentions.**

It is only with this co-operation from all concerned that the Commission will be able to serve the people of Assam in right earnest.
