TEST BOOKLET

Paper—I

Part-II (GENERAL KNOWLEDGE)

(Objective Type)

Time Allowed : 1 Hour

Full Marks : 50

Read the following instructions carefully before you begin to answer the questions :

1. The name of the Subject, Roll Number as mentioned in the Admission Certificate, Test Booklet No. and Series are to be written legibly and correctly in the space provided on the Answer-Sheet with Black/Blue ballpoint pen.
2. Answer-Sheet without marking Series as mentioned above in the space provided for in the Answer-Sheet shall not be evaluated.
3. All questions carry equal marks.

The Answer-Sheet should be submitted to the Invigilator.

Directions for giving the answers : Directions for answering questions have already been issued to the respective candidates in the 'Instructions for marking in the OMR Answer-Sheet' along with the Admit Card and Specimen Copy of the OMR Answer-Sheet.

Example :

Suppose the following question is asked :

The capital of Bangladesh is

- (A) Chennai
(B) London
(C) Dhaka
(D) Dhubri

You will have four alternatives in the Answer-Sheet for your response corresponding to each question of the Test Booklet as below :

(A) (B) (C) (D)

In the above illustration, if your chosen response is alternative (C), i.e., Dhaka, then the same should be marked on the Answer-Sheet by blackening the relevant circle with a Black/Blue ballpoint pen only as below :

(A) (B) (●) (D)

The example shown above is the only correct method of answering.

4. Use of eraser, blade, chemical whitener fluid to rectify any response is prohibited.
5. Please ensure that the Test Booklet has the required number of pages (16) and 50 questions immediately after opening the Booklet. In case of any discrepancy, please report the same to the Invigilator.
6. No candidate shall be admitted to the Examination Hall/Room 20 minutes after the commencement of the examination.
7. No candidate shall leave the Examination Hall/Room without prior permission of the Supervisor/ Invigilator. No candidate shall be permitted to hand over his/her Answer-Sheet and leave the Examination Hall/Room before expiry of the full time allotted for each paper.
8. No Mobile Phone, Electronic Communication Device, etc., are allowed to be carried inside the Examination Hall/Room by the candidates. Any Mobile Phone, Electronic Communication Device, etc., found in possession of the candidate inside the Examination Hall/Room, even if on off mode, shall be liable for confiscation.
9. No candidate shall have in his/her possession inside the Examination Hall/Room any book, notebook or loose paper, except his/her Admission Certificate and other connected papers permitted by the Commission.
10. Complete silence must be observed in the Examination Hall/Room. No candidate shall copy from the paper of any other candidate, or permit his/her own paper to be copied, or give, or attempt to give, or obtain, or attempt to obtain irregular assistance of any kind.
11. This Test Booklet can be carried with you after answering the questions in the prescribed Answer-Sheet.
12. Noncompliance with any of the above instructions will render a candidate liable to penalty as may be deemed fit.
13. No rough work is to be done on the OMR Answer-Sheet. You can do the rough work on the space provided in the Test Booklet.

N.B. : There will be negative marking @ 0.25 per 1 (one) mark against each wrong answer.

1. Consider the following statements :

Statement-I :

India, despite having uranium deposits, depends on coal for most of its electricity production.

Statement-II :

Uranium, enriched to the extent of at least 60%, is required for the production of electricity.

Choose the correct answer from the options given below.

- (A) Both the statements are correct and statement-II is the correct explanation of statement-I
- (B) Both the statements are correct but statement-II is not the correct explanation of statement-I
- (C) Statement-I is correct and statement-II is incorrect
- (D) Statement-I is incorrect and statement-II is correct

2. Which of the following statements is/are true?

1. India has more arable area than China.
2. The proportion of irrigated area is more in India as compared to that of China.
3. The average productivity per hectare in Indian agriculture is higher than in China.

Choose the correct answer from the options given below.

- (A) Only 1 is correct
- (B) 1 and 2 are correct
- (C) 1 and 3 are correct
- (D) 2 and 3 are correct

3. With reference to the 'Sampriti Exercise', which of the following statements is/are true?

1. It is a joint military exercise between Indian Army and Royal Bhutan Army.
2. It takes place every alternate year.

Choose the correct answer from the options given below.

- (A) Only 1 is correct
- (B) Only 2 is correct
- (C) Both 1 and 2 are correct
- (D) Both 1 and 2 are incorrect

4. Consider the following statements about the anti-tank guided missile 'HELINA' :

1. It is an indigenously developed missile by DRDO.
2. It is the helicopter launchable version of the missile NAG.
3. It has a range of 70 to 80 kilometres.

Choose the correct answer from the options given below.

- (A) Only 1 is correct
- (B) Only 2 is correct
- (C) 2 and 3 are correct
- (D) All are correct

5. Consider the following statements about the Defence Research and Development Organisation (DRDO) :

1. It is under the control of the Ministry of Home Affairs of the Government of India.
2. It works for enhancing self-reliance in defence systems and production of world-class weaponry.

Choose the correct answer from the options given below.

- (A) Only 1 is correct
- (B) Only 2 is correct
- (C) Both 1 and 2 are correct
- (D) Both 1 and 2 are incorrect

6. Consider the following statements regarding the use of 'FASTag' in toll gates :

1. It is a reloadable tag that automatically deducts toll and allows a vehicle to pass through a toll gate without stopping.
2. It uses radio frequency identification technology.
